SAURAV YADAV

Frontend Developer | UI/UX Design Expert with React & JavaScript Experience

Frontend Developer & Project Coordinator with strong UI/UX skills, building responsive, user-focused interfaces using React and modern JavaScript. Passionate about seamless digital experiences through clean code and intuitive design, while also supporting project management tasks such as scrum calls, team coordination, and client communication. Seeking to contribute both technical expertise and organizational support in environments that value design precision and structured execution.

WORK EXPERIENCE

Nov 2024 - Present

ASSOCIATE → SR. SOFTWARE ENGINEER

COGNIZANT TECHNOLOGY SOLUTIONS. In Noida, U.P. - India

Specialize in **frontend development**, blending **UI/UX design** expertise with technical skills to build intuitive, high-performing web interfaces. In **Agile environments**, translated product requirements into **reusable components**—often using frameworks like **Flutter**—and collaborate **cross-functionally** to deliver **scalable, user-friendly enterprise solutions**.

Aug 2020 - Oct 2024 - (**Rebadged To Cognizant)**

SR. SOFTWARE ENGINEER

HAYS BUSINESS SOLUTIONS In Noida, U.P. - India

At Hays, **led frontend development** and **UI/UX design** for global recruitment platforms, delivering **responsive, mobile-first interfaces using HTML, CSS, Bootstrap, JavaScript, and React.** Built scalable design systems and an internal UI library (**HaysBaseFramework**) with **Storybook** to streamline development. Developed a **high-traffic European job portal** with conversion-optimized flows, and collaborated in **Agile teams across borders**. Additional projects included a **Flutter-based employment app**, a **real-time delivery dashboard**, and a **blog feature for product engagement**. Supported marketing with cohesive **campaign assets and brand-aligned visuals**.

Feb 2018 - Jul 2020

CONSULTANT - UI/UX

INFOGAIN INDIA PVT. LTD. In Noida, U.P. - India

Collaborated cross-functionally to deliver new features across web applications, integrating stakeholder feedback and user needs. At **Samsung (Gurugram)**, **Designed and implemented the Product Upload Module** for internal portals. For **NTUC (Singapore)**, contributed to **e-commerce platforms like FairPrice and GrabOn**, leading **UI/UX design and partnering with developers** to build **responsive, user-friendly interfaces**. Helped prioritize the product **roadmap**, ensuring **timely delivery** within a three-month sprint cycle.

Dec 2017 - Jan 2018

ASSOCIATE CONSULTANT - UI/UX

TELEVISORY INDIA PVT LTD In Gurugram, HR - India

Independently **designed and developed a B2B website end-to-end**, integrating promotional assets in collaboration with the marketing team. Also contributed to **UI design and frontend development** for **financial analytics** platforms, delivering **visually engaging** and **user-friendly experiences**.

Jan 2014 - Dec 2017

TECH ASSOCIATE - WEB DESIGN

ELI RESEARCH INDIA PVT LTD. In Faridabad, HR - India

At **Beckett Media**, **designed web interfaces** and **email templates** to enhance their digital presence, while **collaborating with developers** to define **dashboard features** and ensure **design-functionality alignment**. Helped evaluate and select **frontend tools to streamline development** and support **scalable feature delivery**.
