SAURAV YADAV

Frontend Engineer | UI/UX Specialist | React & JavaScript

UI/UX Designer with strong skills in HTML, CSS, and practical experience in JavaScript and React. Skilled at creating responsive, user-friendly interfaces and intuitive digital experiences. Hands-on with React projects, blending design precision with functional implementation to deliver clean, modern web solutions.

WORK EXPERIENCE

COGNIZANT TECHNOLOGY SOLUTIONS. Nov 2024 - Present
Noida, U.P. - India (**Rebadged To Cognizant)**

Associate → Sr. Software Engineer

Delivered responsive, user-focused web interfaces by combining UI/UX design expertise with frontend development skills in React, JavaScript, HTML, and CSS. Worked in Agile teams to translate product requirements into reusable components, while coordinating with cross-functional stakeholders through scrum calls and client communication to ensure scalable, user-friendly enterprise solutions.

HAYS BUSINESS SOLUTIONS Aug 2020 - Oct 2024
Noida, U.P. - India

Sr. Software engineer

Led frontend development and UI/UX design for global recruitment platforms, delivering responsive, mobile-first interfaces with HTML, CSS, Bootstrap, JavaScript, and React. Built scalable design systems and an internal UI library (HaysBaseFramework) with Storybook to streamline development. Key projects included a high-traffic European job portal with conversion-optimized flows, a real-time delivery dashboard, and a blog feature to boost engagement. Also supported marketing with brand-aligned visuals and campaign assets.

INFOGAIN INDIA PVT. LTD. Feb 2018 - Jul 2020
Noida, U.P. - India

Consultant - UI/UX

Collaborated cross-functionally to deliver new features across web applications, integrating stakeholder feedback and user needs. At Samsung, designed and implemented the Product Upload Module for internal portals. At NTUC, contributed to e-commerce platforms like FairPrice and GrabOn, leading UI/UX design and building responsive, user-friendly interfaces. Helped prioritize product roadmaps and ensured timely delivery within a three-month sprint cycle.

TELEVISORY INDIA PVT LTD Dec 2017 - Jan 2018
Gurugram, HR - India

Associate Consultant - UI/UX

Designed and developed a B2B website end-to-end, integrating marketing assets for cohesive branding. Contributed to UI design and frontend development for financial analytics platforms, creating responsive, user-friendly, and visually engaging experiences.

ELI RESEARCH INDIA PVT LTD. Jan 2014 - Dec 2017
Faridabad, HR - India

Tech Associate - Web Design

Designed web interfaces and email templates to enhance digital presence, while collaborating with developers on dashboard features to align design with functionality. Supported tool evaluation to streamline frontend development and enable scalable feature delivery.
